Circular No. 22, dated 13th March 1895, and paragraph 1 of Circular No. 29, dated 17th September 1898, are hereby cancelled.

In computing *a month* occurring in Rule 21, within which a Policy is required to be claimed from a Treasury to which it may have been sent for delivery, the day on which the Policy is received in the Treasury shall not be reckoned.

If public holidays granted by Government happen to fall at the close of the prescribed period of the month, the first premium may be received on the first working day when the Treasury re-opens after the holidays.

Thus the first premium payable on a Policy received in a Treasury, say on the 10th of any month, may be received on or before the 10th of the next month but if the 10th of such next month and succeeding days happen to be public holidays, the premium may be received on the first working day on which the Treasury re-opens after such holidays.
